On behalf of the Colorado Association of Meat Processors and Wyoming Meat Processors Association, we would like to invite you to attend the Hands Across the Rockies Meat Processors Convention during April 11th – 13th in Durango, Colorado. Our convention will feature processing demonstrations and key speakers to benefit meat processors across Colorado, Wyoming, and New Mexico. Other events include a raffle and sharpest knife contest to support scholarships for undergraduate or graduate students pursuing a career in Meat Science attending either Colorado State University or the University of Wyoming. Processed meat entries from processors will be evaluated in the Cured Meat Contest on Saturday, April 13th. The convention will round out with a banquet highlighting results of the processed meat contest, sharpest knife contest results, raffle drawing results and the announcement of the sharpest cleaver award. We will have large trade show spaces available for suppliers. We are looking forward to seeing you in Colorado!
